About us

FOUNDED IN 2018

PROFILE

Dongguan LanDazzle Technology Co., Ltd., established in May 2018, is a high-tech enterprise specializing in R&D, design, and production of high-rate battery packs.

LanDazzle combines global vision and high-standard planning to maintain a professional R&D and manufacturing team. It focuses on power battery pack production, delivering robust energy solutions for FPV drones (racing and military reconnaissance) while offering customizable designs for multi-series-parallel configurations. Its products adapt to diverse power demands across drones, power tools, humanoid robots, and other equipment.
